REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The best prior art of record fail to teach or fairly suggest a heat sink hand placement tool, among other things, a heat sink interface block to provide a force on a heat sink; a force transducer for producing an electrical signal; a measurement circuit for measuring the electrical signal from the force transducer and provides an indication of the force being within a predetermined range; and a chassis disposed over the force transducer and the measurement circuit.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

2. Please provide reference numerals (either in parentheses next to the claimed limitation or in a table format with one column listing the claimed limitation and another column listing corresponding reference numerals in the remark section of the response to the Office Action) to all the claimed limitations as well as support in the disclosure for better clarity (optional). Applicants are duly reminded that a full and proper response to this Office Action that includes any amendment to the claims and specification of the application as originally filed requires that the applicant point out the support for any amendment made to the disclosure, including the claims. See 37 CFR 1.111 and MPEP 2163.06.
